

# Sounder Beacons

## Sonos Sounder Beacon (AC)

### Features

- Dual voltage 110V AC or 230V AC
- Up to 102dB (A) @ 1metre
- Easy installation
- Weatherproof to IP65
- Synchronised alarm tones
- High efficiency LED beacon
- Volume control - 20dB

### Overview

A general purpose AC electronic sounder beacon for industrial applications.

With a choice of 32 tones including all of the major International standards, the Sonos sounder beacon has universal acceptance. The full faced translucent beacon case provides a greater spread of light when compared with standard and competitor beacon products.

Sonos AC sounder beacons are weatherproof to IP65 and can be used in all locations both indoors and outdoors.

Sonos sounder beacon units are available in red or amber as standard. Beacon heads can be specified in red, amber, clear, green and blue variants.

### Applications

- Safety; industrial alarm

- Fire
- Security
- Industrial
- Railway/Marine
- Hazardous Area
- Public Warning

| Part No.  | Colours             | Audibility at 1m | Tones | Voltage     | Current |
