ALL CLEAR

AC1 All clear. All clear. No further action required.

AC2 The fire alarm test is now complete.

AC3 Alarm test is now completed.

TEST

TE1 This is a fire alarm test. No action required. No action required.

TE2 Fire alarm test now complete.

TE3 Alarm test only. No action required.

TE4 May I have your attention please. May I have your attention please. The fire system is about to be tested. Please take no further action.

TE5 May I have your attention please. May I have your attention please. The fire alarm test is now complete. Thank you for your co-operation.

GAS / CHEMICAL RELEASE

GS1 Attention, attention. 1st Stage extinguishing system alarm. Action required.

GS2 Attention, attention. 2nd stage extinguishing system alarm. Extinguishing system release imminent. Please evacuate the area.

GS3 Attention, attention. Extinguishing system hold-off device operated. Extinguishing system release on hold.

GS4 Attention, attention. Extinguishing system has discharged. Do not enter.

GS5 1st Stage extinguishing system alarm. Action required.

GS6 2nd stage extinguishing system alarm. Extinguishing system release imminent. Please evacuate the area.

GS7 Extinguishing system hold-off device operated. Extinguishing system release on hold.

GS8 Extinguishing system has discharged. Do not enter.

GS9 Attention, attention. FM200 extinguishing system 1st Stage alarm. Action required.

GS10 Attention, attention. FM200 extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.

GS11 Attention, attention. FM200 extinguishing system hold-off device operated. Extinguishing system release on hold.

GS12 Attention, attention. FM200 extinguishing system has discharged. Do not enter. GS13 FM200 extinguishing system 1st Stage alarm. Action required.

GS14 FM200 extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.

GS15 FM200 extinguishing system hold-off device operated. Extinguishing system release on hold.

GS16 FM200 extinguishing system has discharged. Do not enter.

GS17 Attention, attention. Novec extinguishing system 1st Stage alarm. Action required.

GS18 Attention, attention. Novec extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.

- GS19 Attention, attention. Novec extinguishing system hold-off device operated. Extinguishing system release on hold.
- GS20 Attention, attention. Novec extinguishing system has discharged. Do not enter.
- GS21 Novec extinguishing system 1st Stage alarm. Action required.
- GS22 Novec extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.
- GS23 Novec extinguishing system hold-off device operated. Extinguishing system release on hold.
- GS24 Novec extinguishing system has discharged. Do not enter.
- GS25 Attention, attention. Inergen extinguishing system 1st Stage alarm. Action required.
- GS26 Attention, attention. Inergen extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.
- GS27 Attention, attention. Inergen extinguishing system hold-off device operated. Extinguishing system release on hold.
- GS28 Attention, attention. Inergen extinguishing system has discharged. Do not enter.
- GS29 Inergen extinguishing system 1st Stage alarm. Action required.
- GS30 Inergen extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.
- GS31 Inergen extinguishing system hold-off device operated. Extinguishing system release on hold.
- GS32 Inergen extinguishing system has discharged. Do not enter.
- GS33 Attention, attention. Argonite extinguishing system 1st Stage alarm. Action required.
- GS34 Attention, attention. Argonite extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.
- GS35 Attention, attention. Argonite extinguishing system hold-off device operated. Extinguishing system release on hold.
- GS36 Attention, attention. Argonite extinguishing system has discharged. Do not enter.
- GS37 Argonite extinguishing system 1st Stage alarm. Action required.
- GS38 Argonite extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.
- GS39 Argonite extinguishing system hold-off device operated. Extinguishing system release on hold.
- GS40 Argonite extinguishing system has discharged. Do not enter.
- GS41 Attention, attention. Argotech extinguishing system 1st Stage alarm. Action required.
- GS42 Attention, attention. Argotech extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.
- GS43 Attention, attention. Argotech extinguishing system hold-off device operated. Extinguishing system release on hold.
- GS44 Attention, attention. Argonite extinguishing system has discharged. Do not enter.
- GS45 Argotech extinguishing system 1st Stage alarm. Action required.

- GS46 Argotech extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.
- GS47 Argotech extinguishing system hold-off device operated. Extinguishing system release on hold.
- GS48 Argotech extinguishing system has discharged. Do not enter.
- GS49 Attention, attention. Carbon dioxide extinguishing system 1st Stage alarm. Action required.
- GS50 Attention, attention. Carbon dioxide extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.
- GS51 Attention, attention. Carbon dioxide extinguishing system hold-off device operated. Extinguishing system release on hold.
- GS52 Attention, attention. Carbon dioxide extinguishing system has discharged. Do not enter.
- GS53 Carbon dioxide extinguishing system 1st Stage alarm. Action required.
- GS54 Carbon dioxide extinguishing system 2nd stage alarm. Extinguishing system release imminent. Please evacuate the area.
- GS55 Carbon dioxide extinguishing system hold-off device operated. Extinguishing system release on hold.
- GS56 Carbon dioxide extinguishing system has discharged. Do not enter.
- GS57 Attention, attention. Fire detector operated on the carbon dioxide system. Please evacuate and do not re-enter.
- GS58 Attention, attention. Carbon dioxide discharge imminent. Do not enter.
- GS59 Carbon dioxide released. Do not enter.
- GS60 Carbon dioxide system has discharged. Evacuate this area and do not re-enter as the air may contain a high level of carbon monoxide.
- GS61 A carbon dioxide system has discharged. Evacuate this corridor and do not re-enter as the air may contain a high level of carbon dioxide.
- GS62 Excessive carbon monoxide levels have been detected. Please leave the area immediately.
- GS63 Attention. Attention. Gas detected. Please evacuate the area.
- GS64 Acid spillage. Please evacuate immediately.
- GS65 Acid spillage. All Clear.
- GS66 Attention, .Acid spillage. Evacuate immediately.
- GS67 Attention. Corrosive gas leakage. Evacuate immediately.
- GS68 Attention. Chlorine gas leakage. Evacuate immediately.
- GS69 Attention. Poisonous gas leakage. Evacuate immediately.
- GS70 Attention. Toxic gas leakage. Evacuate immediately.
- GS71 Refrigerant gas detection alarm activated. Immediate action required.
- GS72 Humidity detection alarm activated. Immediate action required.
- GS73 High temperature detection alarm activated. Immediate action required.
- GS74 Overflow alarm activated. Immediate action required.
- GS75 Float alarm activated. Immediate action required.

- GS76 Attention! Attention! Please leave the room immediately. The oxygen level has dropped below the safe limit.
- GS77 Attention! Attention! Oxygen levels are now above the permitted levels. Immediate attention required.
- GS78 System is now in manual mode.
- GS79 System is now in automatic mode.
- GS80 Warning, low temperature. Please close all external doors.
- GS81 Warning, high temperature. Please open all external doors.
- GS82 Danger, low oxygen level. Evacuate the area.

AIR SAMPLING / HSSD SYSTEMS

- AS1 Attention, attention there is an alarm in the Comms Room
- AS2 Attention, attention there is an alarm in the Computer Room
- AS3 Attention, attention the Vesda system has operated
- AS4 Attention, attention. The air sampling system has operated. First level alarm.
- AS5 Attention, attention. The air sampling system has operated. Second level alarm.
- AS6 Attention, attention. The air sampling system has operated. Third level alarm.
- AS7 Attention, attention. The air sampling system has operated. Fourth level alarm.
- AS8 Attention, attention. The air sampling system has operated. Action required.
- AS9 Attention, attention. The air sampling system has reached pre-alarm levels.
- AS10 Attention, attention. The air sampling system has operated. Fire.
- AS11 Attention, attention. The high sensitivity smoke detection system has operated. First level alarm.
- AS12 Attention, attention. The high sensitivity smoke detection system has operated. Second level alarm.
- AS13 Attention, attention. The high sensitivity smoke detection system has operated. Third level alarm.
- AS14 Attention, attention. The high sensitivity smoke detection system has operated. Fourth level alarm.
- AS15 Attention, attention. The high sensitivity smoke detection system has operated. Action required.
- AS16 Attention, attention. The high sensitivity smoke detection system has operated pre-alarm levels.
- AS17 Attention, attention. The high sensitivity smoke detection system has operated. Fire.
- AS18 Attention, attention. The air sampling system in the telecoms rooms has been activated. Action required.
- AS19 Attention, attention, the air sampling system in the data suite has been activated. Action required.
- AS20 Attention, attention. The air sampling system in the telecoms rooms has been activated.
- AS21 Attention, attention, the air sampling system in the data suite has been activated.

CONVEYOR MESSAGES

- CM1 Conveyor number one starting.
- CM2 Conveyor number two starting.
- CM3 Conveyor number three starting.
- CM4 Conveyor number four starting.

CLASS CHANGE

CC1 This is a class change announcement. CC2 End of period.

GENERAL

- GN1 Warning, warning, gates are opening.
- GN2 Warning, warning, gates are closing.
